Receptions

Our generations of experience have shown us the importance of surrounding ourselves with family and friends after a funeral service. But planning an event at your home, or trying to make dinner reservations for a large party, can be straining during a time of grief.

During this difficult time, convenience is key. Families appreciate that everything can be taken care of in one location at Pearson Family Funeral Service & Cremation Center. Our professional staff can coordinate with local caterers to create a memorable reception. OUR SERVICES

Signature Services

At most funeral homes, these services are considered “extras.” But at Pearson Family Funeral Service & Cremation Center, we believe so strongly in what we do that we consider them the basics. That is why we offer these signature services to every family we care for:

Expert Support and Guidance

We have a deep well of competent, creative, and compassionate funeral directors, with a high staff to family ratio. We only hire people who approach their roles with a servant mindset.

Online Obituaries

We’ll always keep our website current with all your important service information, videos and guestbook. This information is easily shareable via email or on social media for ease of communication.

Video Tributes

Provide us with pictures, and we will create a beautiful video tribute to be displayed on our state-of-the-art projection screens. Extra DVD copies are available.

Webcasting

Not able to attend the service? Tune in online for the live-stream. If desired, the service will be web-casted live through the obituary. Return to the obituary at a later date to re-watch the service.

High Quality Custom Printing

All of the funeral folders, register book pages, candle inserts, bookmarks and thank you cards we provide are custom designed, full color, on quality paper and printed in house to meet your needs.

Veterans

At Pearson Family Funeral Service & Cremation Center, we are proud to serve the families of brave men and women who sacrificed to maintain our freedom. Our dedicated, professional staff provides many services to remember and honor military veterans.

We will work closely with your family to create a powerful and meaningful ceremony that is appropriate and unique for your beloved veteran. We arrange funerals with military honors, and burial in our nation’s military cemeteries. We can also help you complete the necessary paperwork to make sure you and your family receive all of the benefits for which you and your veteran qualify. If your loved one has served our country, we would be honored to help you arrange a veteran’s memorial service.
